

MILLFIELD

The Philosophy of Boarding at Millfield

Millfield is a full boarding school and therefore in many cases fulfills the role of parent for the boarders present. This role is delivered in a compassionate and supportive way, and although the school is a very busy place, there is time for the creation of a family atmosphere amongst the boarding community.

Millfield boarding seeks to inculcate a sense of respect, humanity and moral courage in all its pupils and at the same time recognize that all will need resilience in facing the challenges that school and life will bring.

By creating a tolerant and child-centred environment, staff at Millfield are best placed to guide and shape the lives of the youngsters in our care.

Boarding Principles and Practice at Millfield

The boarding community at Millfield is a varied and diverse one. There are significant numbers of UK Boarders as well as overseas pupils. Pupils have many different backgrounds and needs, and it is the stated aim at Millfield to be able to treat all boarders as individuals and provide an environment in which all may flourish.

Boarding at Millfield is based on the following principles:

- The development of the whole person, physically, spiritually, intellectually, morally, socially and emotionally in an atmosphere of positive encouragement.
- Mutual respect and the right to be treated as an individual.
- The right of the individual to not suffer any form of abuse.
- An equality of opportunities.
- The right to privacy.
- Supportive links with parents and guardians.

In addition to addressing physical needs and a sense of security and safety, each house seeks to contribute to its pupils' development in their sense of belonging, their self-esteem, self-respect and self-realisation.

Aims and objectives

- To develop positive relationships between boarders, staff and parents
- Provide a range of experiences and opportunities and conditions that will encourage self development: physically, spiritually, intellectually, morally, socially and emotionally.
- Develop an open and trusting ethos in which boarders are confident that they will be treated with respect as an individual.
- Create an atmosphere in which any form of bullying would have difficulty flourishing.
- Develop a sense of responsibility for self, others and the environment.
- Develop boarders' qualities of leadership and the ability to work as part of a team.

These aims and objectives are continually reviewed against the Millfield Strategic Plan.

Organisation of Boarding at Millfield

Houses

There are twelve houses on campus;

Acacia, Martins, Abbey, Kernick and Southfield for girls.

Orchards, Keen's Elm, Etonhurst, Joan's Kitchen, Holmcroft, Butleigh, Millfield for boys.

There are four houses just outside campus but are considered campus houses;

Shapwick and The Grange for boys.

Warner, and Portway for girls.

Kingweston, Walton, and St Annes are known as the 'country houses'.

Staff

Details of staffing models and rotas are held by Deputy Head (Housing). At Millfield it is expected that the house staff will deal with any matters that arise after school hours. Should further advice/assistance be required then they would call upon the Deputy Head Housing or another member of SMT.

All Duty Rotas will be published in all houses, and it will be clearly stated who is on duty at any given time. All boarders should be issued with an emergency contact card, and enter house numbers on their mobile phones so that they may contact staff quickly.

Procedures common across all Houses

Meals

All meals are served in the dining room (with the exception of some halal meals, and the country houses who take some meals in house). Times of meals are set by coordination between the Catering Manager and The Deputy Head Housing. Attendance at breakfast is compulsory, and there will be provision made for all boarders at all meal times.

The timings for meals are as follows;

Meal	Day	Time
Breakfast*	Monday to Saturday	7.30-8.25am
	Sunday brunch	11.30am-1.30pm
Lunch	Monday to Saturday	12.20-1.45pm
Supper	Daily (inc Sunday)	5.30-6.45pm

*All campus houses will register their pupils by 7.30am to ensure timely entrance and exit from the dining hall.

Signing out

All houses operate a signing out procedure for the safety and security of boarders.

Town Leave

Boarders will be allowed to leave the school to visit Street with permission from House staff (a chit system exists). This will only be put in place once all pupils have been given a tour of the area by Houseparent or appropriate member of staff. Guidelines for the houses are as follows.

- Pupils will go in groups no smaller than three
- Pupils will sign-out, in the usual way and also sign-in, in the usual way
- Houses will hold the mobile phone number of the pupils concerned
- Pupils will carry with them a card with the house phone number on it, or enter the house numbers into their mobile phones, in the case of emergency

Registration

Each house will ensure that there are registrations, and records of registrations. These records are kept for a minimum of two years. There will be a full registration in house at the beginning of every day, at the end of school and also before lights out. Staff should complete registration, not pupils. There will be three registrations on each day over the weekend, these will be carried out in accordance with the above.

Missing Boarder Procedure

Should a boarder miss a registration without prior permission, the following procedure will be carried out in the order listed;

1. The member of staff responsible for the registration will check the house log and day sheet for further information
2. The member of staff responsible for the registration will make contact with other staff and the Medical Centre

3. The member of staff responsible for the registration will alert the appropriate Houseparent
4. Staff will organise a search of the surrounds of the house immediately, and make every attempt to contact the boarder
5. Staff may feel it important to phone parents to ascertain whereabouts, and/or to inform them of the issue.
6. On an unsuccessful search the Houseparent will contact SMT, preferably the Deputy Head Housing
7. SMT will then make a judgment based on time missing, pupil involved, circumstances of the absence and then either a) Request a second search of the area, b) Request a search of the local environment or c) telephone the local police.

Exeats

Any boarder wishing to stay away from the house over the weekend should follow the exeat procedure as in the handbook, and HPs should register the exeat on the appropriate forms. Deputy Head (Housing) will monitor the number of exeats.

Rewards

A full description of the school's rewards is to be found in the Behaviour Policy. Members of the house are awarded their house colours and prefectships. In addition trips or 'dining out' nights might be used as rewards. At present this is done at the discretion of the Houseparent and is regularly reviewed.

Sanctions

Any sanctions taken should lead to reflection on the offence and encourage a change of behaviour. Punishment is always at the discretion of the Houseparent within the framework that the behaviour policy provides. This has been agreed with all boarding Houseparents. In all cases the actions of all staff must be in accordance with Millfield disciplinary procedures, and the appropriate policy for the offence.

Recurrent offenders will be referred to Head of Year and subsequently a member of the Senior Management Team. Incidents will always be logged on ISAMS and further action agreed. Where a misdemeanour or a pattern of misdemeanours appear to be a reaction to abuse, appropriate action will be taken in line with the Millfield Child Protection Policy.

Major misdemeanours must be dealt with immediately – depending on the severity by the Houseparent, Head of Year, appropriate member of SMT, or the Head. These incidents may require a disciplinary meeting with boarder and parents as appropriate.

In the case of repeated or serious misdemeanours which disrupt the education of other boarders, the individual concerned may be internally suspended, or suspended from school. If the behaviour does not improve they may be removed from the house permanently. This will only take place as a last resort and after meetings with the Head

SANCTIONS GUIDANCE

The following table is guidance agreed by Houseparents as the appropriate action for the level of offence. It is always accepted that there may be circumstances where a Houseparent's discretion is used, but this will be clearly recorded and justified.

Level	Possible Offence	Suggested Action
1 - Staff Intervention and Sanction	<ul style="list-style-type: none"> • Disobedience in the house • Lateness • Slovenliness 	<ul style="list-style-type: none"> • Dealt with by the member of staff on duty • Any sanction (early beds, clean up duty) will be logged in the house sanction book and referred to HP • Staff will communicate action at the next handover
2 - House Gating and/or Orderlies	<ul style="list-style-type: none"> • Repetition of the above • Continued low level misdemeanors 	<ul style="list-style-type: none"> • House gated • Logged in house sanction book
3 - Referral	<ul style="list-style-type: none"> • Continued defiance and repetition of the above • Cases of Alcohol, Smoking, Theft 	<ul style="list-style-type: none"> • Referral to HoY
4 - Referral 2	<ul style="list-style-type: none"> • Serious disciplinary matter, and serious cases of above 	<ul style="list-style-type: none"> • Direct referral to Deputy Head or Deputy Head (Housing) at evenings and weekends • HoY must be informed

Lateness and Out of Bounds

Lateness back to house is an anti-social act and will be dealt with in house, however persistent lateness will be dealt with as defiance.

The act of being 'out of bounds', thereby being in a prohibited space at an inappropriate time is a serious offence and will be referred to the Head of Year following an interview with Houseparent. The act of breaking out of a boarding house after 'lights out' is a more serious 'out of bounds' offence and will be dealt with by members of SMT and is likely to result in suspension. An act of 'out of bounds' is likely to invoke the missing boarder protocol.

School policies

All staff within houses adhere to whole school policies on matters such as behaviour policy, drugs, alcohol, sexual and relationships, anti-bullying, health and safety, fire and complaints procedures. Policies will be clearly displayed in houses.

Health and Safety

Within the first 48 hours of all terms the houses will carry out procedures as highlighted in the First 48 Hour of Term Checklist. All houses will follow Health and Safety Guidance as set down by the Millfield Health and Safety Policies. There will be a representative from boarding at the Health and Safety Meeting (this is usually the Deputy Head Housing).

Health and Safety - Rules for electrical equipment

As electrical and electronic equipment in studies, dormitories and Common Rooms can present Health and Safety risks, we impose the following restrictions:

Allowed	Not Allowed
Computers/Laptops Hair styling appliances Chargers Radio/stereo Electric toothbrush or shaver BS fused slab lead	Kettle Rice cooker Plug in air freshener Iron Fridge Heater Fan Microwave Lamps Non BS transformers or leads Adaptors (or multi adaptors) Electric blanket TVs or Gaming consoles

Further advice is available through Debbie Fisher, and guidance with regards electrical items can be found on the Health and Safety Intranet site. Houses are responsible for updating their electrical items register (in line with Electrical Procedure and Guidance).

Fire Procedure After 4pm

- During the school day all boarders follow the whole school fire procedure. After 4pm the following will happen.
- If a fire alarm should sound in the boarding house the boarders will leave the building and assemble in the published areas.
- If a fire alarm should sound in the body of the school, all boarders are to return to house to be registered.

The condition of rooms

All rooms must be left tidy each morning, so as to allow easy access for cleaning staff who are ensuring the cleanliness of the building.

House Security

All houses have keypads at the main entrance and codes will be kept confidential to those in the boarding or amongst SMT.

Returning to House

Members of the boarding community are permitted to return to their boarding houses at break time, lunchtime and after school. There will always be a member of staff on duty in the house, usually a matron. Pupils in the Upper Sixth are also permitted back to the house in free periods 2, 3, 4 and 5, and once again there will be staff in the house who are easily contactable at these times.

Prep

From the Prep Policy;

Boarding Houseparents (with assistance from duty House staff) should:

- Organise prep time in boarding houses each weekday evening during term for a minimum of 90 minutes (typically from 7.15 p.m.).
- Create an ethos and working environment within houses that supports the academic work of all pupils; during prep time, boarders will be in the appropriate spaces, the house will be quiet and staff supervision good.

Campus Time

Campus time is designed to allow pupils to chat, socialise, mingle, and play some sports. The times will vary and be clearly publicised in each term. Pupils are requested not to wander off to unlit places and should always walk to and from houses in a group of at least 3 people. The main areas that pupils can go (dependent on year group and day) are:

- The Campus Astro
- Swimming Pool
- Tennis Centre
- Tuck Shop
- Fitness Suite

Monday	Swimming Pool	Years 10 and 11
Tuesday	Chindit League Football Fitness Suite Tennis Centre Swimming Pool	6 th Form
Wednesday	Chindit League Football Fitness Suite Tennis Centre Swimming Pool	6 th Form
Thursday	Swimming Pool Junior Chindit League Football	Years 9,10 and 11
Friday	Chindit League Football Fitness Suite Tennis Centre Swimming Pool	6 th Form
Saturday	Campus closed, except for walking to and from an organised event	
Sunday	Campus closed, except for walking to and from an organised event	

House handbooks

Due to the differences in age range and circumstances within each House there are some variations in everyday routines and ethos. As a result, each house develops its own identity, whilst operating within our stated framework. House handbooks are produced by each house to outline house rules and procedures. Each House has information (in a handbook and/or on the notice board) containing:

- The house personnel. Staff attached to the house and pupils in positions of responsibility (prefects).
- Brief description of the duties and responsibilities of house prefects
- Pupil names and room numbers.
- House assembly and registration times and locations.
- The house routine from morning registration to bedtime and the staff (& pupils) on duty throughout the week.
- Explanation of the expectations for prep time and campus time.
- Details on relevant signing out procedures outside the timetabled school day and what areas may be visited.
- Details on Town Leave
- Details on procedures to deal with visitors to the house.
- Fire exits, extinguishers, assembly points & the procedures on evacuating the house in case of a fire at night.
- Procedures in case of an emergency in the House.
- Health and Safety
- The procedures for Evening Duty

Induction of new staff

Staff who are new to a position within boarding will follow a structured induction process detailed separately. Any concerns should be raised with the relevant house staff and details passed to the Deputy Head Housing. Staff within the boarding community, are also encouraged to attend BSA organised courses.

Activities for boarders

Boarders have structured prep times throughout the week as published in the house handbooks. Boarders also have access to ICT networks and/or facilities. Weekend activities are organised for boarders by house staff. They may include trips to shopping centres, parks, bowling, cinemas or towns or cities of particular interest. Standard risk assessments on such trips are carried out by the member of staff taking the trip. It is understood that on weeknights academic work should take priority and thus trips should not be arranged without prior knowledge of the Deputy Head (Housing).

The Views of Boarders

The School Council takes the views of boarders and represents them. Each house should have a suggestion box, equivalent anonymous process, which is checked by Houseparent regularly, and also hold house meetings.

The Deputy Head Housing will meet pupil Heads of House twice every term. The first meeting will be a training event, and the second a debrief and an opportunity to discuss relevant issues in houses.

There will be a Catering Committee held every half term, and all houses have a pupil representative on this committee.

Chapel

Each house will attend a House Chapel once every year. There are whole school and year groups services that all are expected to attend. In addition boarders may use the Chapel at any time for reflection. Chapel services also occur on Tuesday, Thursday and Sunday and all are welcome. The Chaplain will publish the times and the purpose of Chapel services.

Welfare support services to boarders

The Child Protection Officers are Mr Neeve and Mrs Stansfield . Additional details on the School Welfare services are given in the School Child Protection Policy.

First point of contact for medical advice is Mrs J Berryman in the Medical Centre - details on medical services available to boarders are given in the Medical Care Policy. External counselling is available through liaison with the Medical Centre.

If it is judged that a pupil will benefit from counselling then the Houseparent may discuss this with the medical centre and devise a strategy to advise the pupil. The pupil always has the right to refuse counselling, and in this case we reserve the right to discuss alternatives with parents. Details of Counselling Service, Childline and Ofsted will be prominently displayed in Houses.

Boarding staff are encouraged to attend courses designed by the Boarding Schools Association to support the welfare of our pupils. The Deputy Head Housing is a current BSA tutor and keeps the boarding community updated with information and advice from the BSA and is available to mentor candidates on the Professional Development Certificate.

The Independent Listeners are Dr and Mrs Shilton, phone numbers will be displayed in houses.

Medical Details (for further details refer to the Medical Centre)

All boarders must be registered with the School Medical Practice in accordance with school policy on Medical Care. Details on medication prescribed by, or known to, the Medical Centre will be passed to the relevant boarding house. This information must be kept in a file which is accessible to the boarding staff. Details on the procedure for gaining access to medical advice from the Medical Centre are posted in each house. All houses will assess needs before sending boarders to the Medical Centre, this is known as House Surgery and occurs every day (pupils will not access the Medical Centre unless sent by the appropriate member of staff. The Medical Centre will communicate via e-mail to the appropriate house when medicine is administered.

Boarders must carry relevant emergency medication (e.g. Epipen, anti-histamine) at all times. All houses have areas to securely store first aid equipment and 'over the counter' remedies as listed in the Medical Handbook. Boarders individual medical records are stored in the Medical Centre. Any unused medication must be returned to the Medical Centre who will then arrange for its disposal. The Medical Centre will arrange annual training for Houseparents on administration of medicines.

Houseparents keep a file of boarders who are self-administering and where their medication is kept. This file is made available to duty staff in the house so they can deal with relevant medical emergencies. Houseparents should keep a file of Medical Protocols such as the protocol for the administration of non-prescription medicines such as Paracetamol. Parents/boarders should inform their Houseparent or the Medical Centre if a boarder has been ill during the holidays or and exeat.

Medical Emergency Procedures

In the case of a medical emergency, staff will follow the following protocol.

- Member of staff investigating the emergency will assess the situation
- Member of staff will either contact one of the designated school first aiders (list and location in boarding handbook) or Houseparent who will contact the relevant level of care
- The Medical Centre may be contacted, or in extremis 999 phoned
- Houseparent should be alerted in any case that requires medical care (either Medical Centre or A&E)
- Deputy Head Housing should be contacted in the case of A&E visit and parents/guardians will be informed

All houses will hold a well stocked medical kit, this will be checked on a termly basis by the Medical Centre. All houses will hold emergency contact details (and some Medical Records) on each boarder

Storing Information on Boarders

The Houseparent is responsible for keeping up-to-date and accurate records on all pupils in the House. Information may be held in paper format and/or electronically. Where there is a need, all boarders may have an individual hand written Welfare Plan. This personal information is kept private and access to it is strictly controlled. The Group Tutor will also hold a file of information on pupils and both should be contacted if a full investigation into the pupil will be carried out. All changes to pupils' information should be passed through to administrative support who will maintain the accuracy of pupil details on the school database. Each pupil also has a file with the Head's PA, Mrs Jane Raven

Banking for Boarders

All boarders are encouraged to bank cash in the house, and/or use a bank in Street. Accurate records of withdrawals and balances must be kept and be available for inspection. Withdrawals will only occur in the presence of the boarder.

New Boarders

It is important that new pupils are made aware of the School Rules at the earliest opportunity in the academic year. The Boarders Induction Procedure (to be introduced in September 2012) will give clear guidelines as to the process of induction of all boarders new to Millfield. There will be no initiation ceremonies performed in Houses.

Admissions Criteria

All admissions to Millfield are dealt with by the Registrar. Matters relating to school fees are dealt with by the Registrar, Head and Bursar. It is hoped that all boarders would come to Millfield for a tour of the School and a boarding house.

All prospective boarders are issued with copies of our prospectus and all relevant information. Pupils or pupils who are looking to change status from day to boarding will discuss this with their Group Tutor; they will also be met by their prospective Houseparent to assess their suitability to join the boarding community.

House Refurbishment

Fabric and furniture in the House which requires refurbishment should be noted and passed to the Director of Estates – Mr Chris Daw. Damaged furniture should be removed as soon as possible from the House area. If the damage is found to be malicious then the perpetrator will be subject to disciplinary action. Charges will be made for damage caused by boarders. All 'indents' reporting damage should go directly to Paul Begg.

Funds

House Budgets are allocated by the bursar and houses are in control of the expenditure. All houses will keep accurate records of all expenditure and deposits. Records will be audited annually.

Marketing of Boarding

All staff are expected to be committed to the development of boarding at Millfield. The HPs Meeting regularly reviews methods by which we can improve the boarding experience and increase boarding numbers at Millfield toward the target number for each house. The Deputy Head Housing, Head of Marketing and Registrar will work closely to market boarding externally.
