

EQUESTRIAN CHARGES – MILLFIELD – WITH EFFECT FROM SEPTEMBER 2022

The Millfield Equestrian Pathway programme includes three coaching programmes. The Meyers programme requires pupils to commit to their horse being kept at Millfield livery; the Team Millfield Development programme can be taken either with full livery, by home riders who bring their horses to school for coaching sessions, or in certain circumstances with the use of a school horse. The Millfield Mix Schools programme includes the provision of a school horse for the coaching sessions. All three programmes are termly commitments with payment for coaching curriculum and livery/school horse loan payable with other school fees in advance.
