## STARS OF THE WEEK

Well done to this week's Pre-Prep Stars of the Week, who will receive a certificate from Mr Jory:

### Pre-School

Nina T  
Freddie L

### Reception

Rowan L  
Sienna A-M

### Year 1

Emily B  
Bea M  
Arthur C

### Year 2

Willow S  
Matilda I

### YEAR 2

## FOREST SCHOOL FUN

In Forest School, Year 2 took trusting in each other to the next level when they had to be blindfolded by their partner and be guided to a spot in the woodland. They had to use all their senses, apart from sight, to find their way back. Their guider had to give them specific instructions on turns, steps and clockwise directions. Great navigating and trusting Year 2!

## DIARY DATES

### Friday 19 March

Red Nose Day  
Children to wear red and please bring in a £2 donation for Comic Relief

### Friday 19 March

School finishes at 3:15  
No clubs, creche or late club

### Monday 12 April

Return to school

## PRE-PREP SWIMMING

We are delighted to announce that swimming will be starting again straight after the Easter break on the following days:

Monday – Year 1 and Year 2

Thursday – Pre-School

Friday – Reception

Children will need to bring hat, goggles, costume and towel in on their swimming day.

### PRE-SCHOOL

## BUNNY BISCUIT BAKE OFF

The Frogs and Tadpoles donned their aprons, ready for The Great British Bunny Biscuit Bake Off! It was a flurry of baking activity, with measuring, pouring, stirring, kneading, rolling and cutting the bunny biscuits. When they were baked, everyone decorated their own biscuit with a choice of a sweet for the bunny's tail. A great morning of baking fun. Pre-School wishes you all a very happy Easter!

## MARVELLOUS MATHS

The children have been recapping some of the different maths concepts they have been learning about. They have been investigating 2D and 3D shapes, subitising, sequencing the days of the week and using a tally to count flowers.

## ST PATRICK'S DAY

Reverend Kitto talked in her assembly this week about St Patrick's Day and explained what saints are. Did you know that St Patrick was born in Cornwall and taken by pirates to Ireland at the age of 16? Saints are ordinary people who do extraordinary things. Right now, we have seen many saints in our communities working hard to help others during this pandemic. Well done to all those home schooling parents, teachers, frontline workers, NHS workers and all those unsung heroes - you are all saints!

### YEAR 1

## SIGNS OF SPRING

Year 1 took some paper and paint to the woods and found lots of signs of spring. They looked at the beautiful daffodils, identifying the different parts of the plants. The children did some beautiful observational paintings. They were then given a section of a paint chart with different shades of green. The children had to match, so they found each colour. They were amazed how many different shades of green they found.
