OLD MILLFIELDIAN SOCIETY NEWSLETTER

DECEMBER 2021

It has been amazing to reflect on the past year and to see all the incredible things OMs have achieved. We have had a busy term here at Millfield and we were delighted to be able to host in person events again.

Thank you to everyone that has been involved, in one way or another, with the OM Society this year. We are always so grateful for your support and we love hearing your news and achievements!

OM OF THE YEAR 2020

We were delighted to host the postponed 2020 OM of the Year Awards ceremony on Saturday 13 November here at Millfield. Members of the Millfield community gathered to celebrate the 20th celebration of the prestigious award, which was hosted by OM and previous award winner, Michael Hayman.

This year's award winners were Jonathan Joseph, Adwoa Aboah, Galahad Clark and Joanna Perry. The winners join the 77 other former award winners who have been titled OM of the Year since it began in 2000.

We were delighted to also welcome so many previous award winners back to Millfield to celebrate the occasion. Thank you all for joining us!

Unfortunately, Adwoa and Joanna were unable to join us in person but they sent video messages accepting their awards.
